**Date:**

## Overview & Purpose-Identity

***Question of the day: Who am I to God?***

### **VERSE**

**I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you. John 15:15**

I am a friend of God crowns.

Read the verse with the kids and ask them our question for the day. Please be sure to point out the clue in your room and ask the kids what other clues they have found so far.

Ask the kids to share some things that they know about who God has made them to be and what they are learning so far today.

We want this time to be less of a lesson and more of a conversation. We want a chance for the kids to think through these ideas and voice their thoughts.

Explain that we are making these crowns today to remind us that God loves us very much. He is happy to see us and he wants to be our friend.

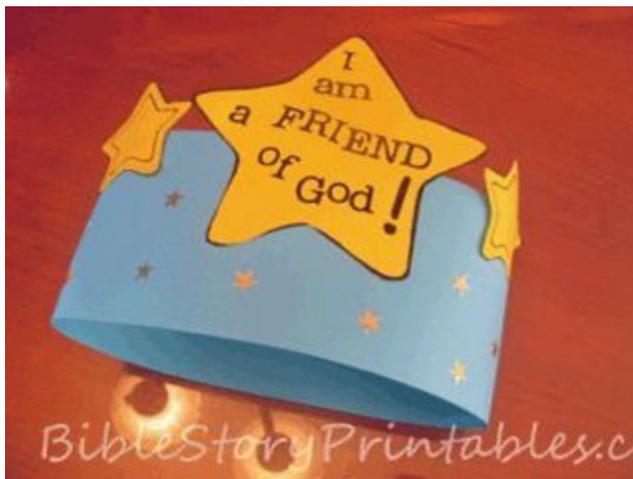

## Materials Needed:

Cardstock cut into 4"x12" rectangles, Star stickers, glue sticks, staplers, sheet with stars to cut out, scissors,

Directions:

Have the kids cut out their stars and glue or help them staple the stars to the crown. Help the kids to measure the size of their head and make the crown fit their head. Help them connect the crown with staples. Then the kids can decorate their crowns with the star stickers.
